Dear Mr. Vermette,

I would like to thank you so much for your ongoing commitment to the Cardiovascular Surgery Program at the Thunder Bay Regional Health Sciences Centre.

Your recent pledge payment of \$1,500.00 towards your \$7,500.00 Cardiovascular Surgery Fund Pledge was gratefully received and will be used as, together, we continue to bring life- and limb-saving surgery to our community.

I'm so pleased to let you know that vascular surgery is well underway and helping hundreds of patients each year. Vascular Surgeon Dr. Mary MacDonald told me the patients she sees, along with Dr. Elrasheed Osman and Dr. Matthew Ingves, are people when they're at their most vulnerable.

Thanks to your support, they've had tremendous success with surgical procedures that can be life-altering for many patients. Particularly, they've been able to successfully repair life-threatening aortic aneurysms, improve circulation to extremities to avoid amputations and provide fistulas to patients requiring dialysis.

With vascular surgery well underway, we look forward to the next step, which is bringing cardiac surgery to Northwestern Ontario. This is possible because of you.

Together, we're keeping Our Hearts At Home.

With my sincere thanks,

Terri Hrkac
