

New Community Development & Communications Manager

May 11, 2018 - The Municipality of Red Lake is pleased to announce the promotion of Brenda Gignac to the role of Community Development & Communications Manager.

Ms. Gignac has worked with the Municipality since 2007 and has worked primarily as an Executive Secretary, however, in recent years has taken a more active role in the Clerk's department and has worked on a variety of community development initiatives.

CAO, Mark Vermette stated: "We are pleased that Ms. Gignac is taking on this very important role within the organization. She will serve our community very well as we move forward with many exciting initiatives."

The Municipality has recognized the need to further advance community development activities which enhance the overall sustainable environment in which citizens and business can thrive. Red Lake prides itself on being a vibrant, attractive, and sustainable community.

Understanding the means of communication is evolving and there is an increased desire for the delivery of quick and effective information, the Municipality believes having a position dedicated to communications will ensure pertinent information is being provided to our residents.

Ms. Gignac will commence her new role on June 1, 2018.
