## RED LAKE COMMUNITY RESOURCE CENTRE

The Red Lake Community Resource Centre is interested in forming a "Child Care Registry Board" at both of its sites. The purpose of this board is to provide a space for families to advertise their child care needs. With the limited amount of spaces in the child care centres and the amount of new babies in our community, there are many families unsure of how to address these needs. There will be space on the boards for those interested in caring for children in their homes, as well as a space for those families seeking care.

Please call or stop into one of our sites for more information.

Red Lake Site - Side entrance of Red Lake Child Care Centre - 727-3576

Golden Site - Room 11, lower level of Golden Learning Centre - 735-2577

We would like to make this service as user friendly as possible, so please provide us with your input.
