SPECIAL THANK YOU'S FROM MAYOR AND COUNCIL

Mayor and Council would like to thank the Communities in Bloom Committee for the 150 ice candles they created and placed in the communities of Madsen, McKenzie Island, Balmertown, Cochenour and Red Lake for the Christmas Season. These candles were lit each night by volunteers. Unfortunately, several of the candles in Balmertown were destroyed and vandalized.

A big thank you to Communities in Bloom – you made a difference!

Mayor and Council would also like to thank Mr. George Johnson for designing and building his beautiful snow sculpture next to the Dennis Molloy Fire Station in Balmertown. The sculpture resulting from his countless hours of volunteer work was enjoyed by many. Again, it is very unfortunate that for the second year, his masterful sculpture was vandalized.

Thank you George – you made a difference!

THANK YOU

The Ontario Works Program would like to thank all the agencies, families and individuals who participated in the "Adopt a Child" challenge. The response received was overwhelming. The elves delivered the wrapped gifts on December 22nd, 2006 with all Ontario Works families being recipients. The smiles on their faces and the light that shone in their eyes was a true reflection of the Spirit of Christmas. We look forward to an even greater spirit next year.

A special thank you to Rosalie, Carol, Gary and Gail because without your help this would not have been possible.

CHRISTMAS TREE COLLECTION

Christmas has come and gone and now it is time to dispose of your Christmas tree. It states in By-Law No. 530-04 that household size Christmas trees must be cut in half if you want them to be picked up by curbside garbage collection.

By-Law No. 530-04 also states that during winter conditions, an unrestricted clear pathway to the container must be maintained, along with the removal of snow from the lid.

Your co-operation during these winter months is appreciated.
