Mayor

Brian Anderson,
Chief Administrative Officer

WELCOME PLANNING ADMINISTRATOR

The Municipality of Red Lake would like to advise that Devon McCloskey has accepted the Planning Administrator position with the Municipality of Red Lake.

Mayor, Council and Staff would like to welcome Devon and wish her all the best in this position.

STAFF LEAVING THE MUNICIPALITY OF RED LAKE

Mike Morton, who has been employed with the Municipality of Red Lake in the Finance Department, will be leaving the Municipality. For the last 2 years, Mike has been employed as Treasurer for the Municipality.

Mayor, Council and Staff would like to thank Mike for his dedicated service and wish him well in his future endeavours.

**MUNICIPALITY OF RED LAKE****REQUIRES A TREASURER**

The Municipality of Red Lake is currently accepting applications for the position of Treasurer.

Reporting to the Chief Administrative Officer, the Treasurer will assume responsibility for the administration, supervision, planning and management of the Finance Department.

The successful candidate will be proficient with computer applications, have demonstrated the ability to work independently and in a team environment, be flexible, have superior organizational skills, have excellent oral, written and interpersonal skills, the ability to effectively supervise an organized labour force and be able to act professionally while providing service to the public.

The ideal candidate will possess a thorough knowledge of accounting practices and policies, the ability to recognize and understand changes to municipal financial practices that result from new legislation through a recognized accounting designation, supplemented by at least five years of progressive municipal management experience. An AMCT or CMO designation is preferable.

Compensation for the position will commensurate with experience and qualifications.

Individuals who feel they are qualified may obtain a job description from the Municipal Office and submit a completed resume to the undersigned no later than 12:00 noon, Friday, July 11, 2008.

CARING FOR YOUR ADOPT-A-POT

Red Lake District Communities In Bloom would like to thank everyone who purchased Adopt-a-Pots this year. Here are some tips to keep your pot looking beautiful all summer.

Your pot comes to you ready to enjoy and contains a slow release fertilizer that will slowly dissolve over the summer as you water the plants. It is not necessary to use additional fertilizer but you may choose to use a water soluble fertilizer like Miracle Grow when you fertilize your other plants.

Keep your pot well watered throughout the summer to keep it looking its best. Please do not count on the rain to keep it watered as the leaves of the plants can act as an umbrella causing the rain to simply run off and not reach the soil. The easiest way to check to see if your pot needs water is to stick your finger into the dirt and if the top half inch feels dry, it is time to water.

The red geraniums and marguerite daisies benefit from having the fading older blooms removed (deadheading). We hope you enjoy your Adopt-a-Pot and thank you for your support. You will be receiving your bill in the mail from The Municipality of Red Lake in the near future.

YARD MAINTENANCE

The Yard Maintenance By-Law (No. 902-07) was adopted to ensure properties are maintained.

The by-law states the following:

- No owner or occupant of land shall fail to keep the land clean and free from debris.
- No owner or occupant of land shall fail to keep to hedges, shrubs, trees or similar growth upon the land trimmed so as not to interfere with the use of a highway.
- No owner or occupant of land shall fail to keep the grass and/or weeds upon the land trimmed so as not to exceed 30 cm in height.
- No owner or occupant of land shall use the land, or to cause or permit the land to be used, for the storage of inoperative motor vehicles or parts of motor vehicles except in compliance with Section 6.5 of the By-Law.
- No person without authorization from the owner of the land shall cause or permit debris to be thrown, placed or deposited on private property or publicly owned land.
- No owner or occupant of land shall permit recurrent ponding of storm water.
- No owner or occupant shall use the land or cause or permit the land to be used, in a manner which creates a nuisance.

Municipal Action

Where notice has been sent, and it has not been appealed by the recipient, and the requirements of the notice have not been complied with, the Corporation may cause any work to be done which is necessary to bring the lands into a condition which complies with the notice. In such circumstances, the cost of the work shall be at the expense of the owner, and constitutes a debt due to the Corporation.
