LOCAL FIREFIGHTER COMPETES IN FIREFIT CHAMPIONSHIPS

James Kellestine, member of the Municipality of Red Lake Fire Rescue Service recently competed in the Southern Prairie Regional FireFit Competition held in Medicine Hat, Alberta on June 12th and 13th, 2010. Deemed "the toughest two minutes in sports", the competition is based on five fire fighting tasks commonly performed in emergency situations and is very demanding. Intense training prior to competition is imperative.

Competing in a field of 75 predominantly full time Armed Forces, Emergency and Fire Services personnel, Kellestine finished in a respectable 36th place in the Individual Competition with a time of 2:00.69. On the second day, Kellestine joined Jeanie Allen from the Middleton Idaho Rural Fire Department and entered a mixed team in the NxG2 Relay. Together they completed the second event in 2:32.62, placing respectably in a field of mostly male/male teams.

The Municipality of Red Lake and Red Lake Fire Rescue Service would like to congratulate Mr. Kellestine on his achievements.
