THE RED LAKE BEST START HUB

The Red Lake Best Start Hub is a place for families to engage in meaningful interactions in an environment suited to the needs of children 0 – 6 years of age.

Featured programs, all free of charge, include craft, snack and circle time, visits out in our community, indoor gym time during the cold winter months, evening programs and play days every Saturday. Programming is theme based and our crafts and community visits reflect this. We have guest speakers in to discuss child-related topics with parents and caregivers and to answer any questions they might have.

We have three sites to accommodate the families in our communities. Please visit us at 201 Howey Street (Family Futures Entrance) in Red Lake, at the Golden Learning Centre, room 11 (lower level) in Balmertown or at the Cochonour Hall on Edward Street beside the arena.

Calendars and newsletters to keep you informed of what is happening are available at these sites. For more information call: Red Lake Site @ 727-3576 or Balmertown Site @ 735-2755.
