## EARLY LEARNING AND CHILD CARE DEPARTMENT

The Municipality of Red Lake is interested in determining the future and current needs for Child Care in our community. This survey will assist to project the type of care required for all age groups as well as determine the space needs and locations to better meet the needs of parents.

Please take some time to complete as much of the survey as possible. Your input is a necessary component in providing valuable data to assist in shaping the Early Learning and Child Care needs of this community.

If you have any questions please contact the Early Learning and Child Care Supervisor, Carol Sanna at 727-2411.
