Public Waste Containers Fish Guts & Household Waste

The Municipality of Red Lake has public waste containers located in numerous locations within the Municipality. These containers are to help keep the community clean.

Please do not dispose of fish guts and household waste in these containers.

Fish guts and household waste attract bears, as well as create a health and safety hazard for municipal employees.

Suggestions to dispose of fish guts are as follows:

- Freeze fish guts and dispose of on garage collection day; or
- Bring fish guts to the Municipal Waste Disposal Site yourself.

If you have any questions or concerns, please contact the By-Law Enforcement Officer at 735-2096, ext. 225.
