## Recycling Issues

The recycling program is going well but we are still having problems with the following non-recyclable items being placed in the recycling:

- Plastic Bags
- Glass not separated
- Paper towel and Kleenex
- Combination containers
- Hazardous waste
- Dryer sheets
- Coffee Cups
- \* Sharpies (ie. needles)

\* The Municipality has come across needles in plastic containers. This is **absolutely not acceptable** and is an extreme health hazard to everyone handling and disposing of recyclables. Please ensure "sharpies" are disposed of properly.
