Recycling Reminder

The recycling program is going well but we are still having problems with the following non-recyclable items being placed in the recycling:

- Plastic Bags
- Glass not separated
- Paper towel and Kleenex
- Combination containers
- Hazardous waste
- Coffee Cups

* Recyclables placed on the curbside in a plastic bag will not be collected – with the exception of shredded paper.

Public Invitation to Logo/Tagline Design Exercise

Branding will help Red Lake stand out and distinguish itself from the “crowd”. If Red Lake does a particularly good job at identifying, understanding and implementing its brand, it will not just serve as a marketing tool. Rather, it could actually be used to guide decision-making and provide a visual method of conveying the essence of our new Strategic Plan. Branding can be the very foundation of what makes Red Lake desirable and good branding can unite us and give us a hook to hang our identity on.

The Mayor and Council of the Municipality of Red Lake invite you to submit a design for a logo and a tagline consistent with the following parameters:

- Maximum 3 colours (with the ability to be reproduced in grayscale without the loss of clarity)
- Size (scalable without loss of clarity, from ½ inch to 20 feet)
- Easily and clearly reproducible
- Concise tagline that augments the logo and provides a community marketing message

Completed submissions must be submitted to the undersigned not later than 2:00 p.m., Tuesday, April 2nd, 2013.

Bill Greenway, Economic Development Officer
 Municipality of Red Lake
 P.O. Box 1000, 2 Fifth Street
 Balmertown, Ontario, P0V 1C0

The logo will be used throughout the Municipality and could adorn letterhead, advertising, signage and news releases. As this logo and tagline are considered critical elements of a consistent and concise branding message, all submissions received will be carefully reviewed. The Municipality reserves the right to approve/reject, modify and/or select elements from submissions received.

The Municipality thanks you for your creativity and appreciates your consideration towards this critical branding initiative.

For more information call Bill Greenway, Economic Development Officer at 735-2096 ext. 238 or email: bgreenway@redlake.ca

If you have any questions or concerns regarding the above, please contact the By-Law Enforcement Officer at 735-2096 ext. 225.

**MUNICIPALITY OF RED LAKE
COCHENOUR LAGOON EXPANSION
CLASS ENVIRONMENTAL ASSESSMENT – SCHEDULE 'B'
NOTICE OF COMPLETION AND 30 DAY PUBLIC REVIEW**

The Municipality of Red Lake has identified the need to add an additional 51,475 m³ of storage capacity to the existing Cochenour Lagoon Facility to meet their projected 20-year needs. To do this, the Municipality is proposing to construct a new storage cell (Cell #3) along the northwest side of the existing Cell #2. This was the location included on the original MOE Certificate of Approval for the third cell and remains as the logical location for the expansion of the lagoon.

These works are planned to be completed by late 2013.

The above project is being planned under **Schedule B** of the **Municipal Class Environmental Assessment**. Subject to comments received as a result of this Notice, and the receipt of necessary approvals, the Municipality of Red Lake intends to proceed with the design and construction of this project.

The project plans and other information are available at:

Municipality of Red Lake Municipal Office

2 – 5th Avenue,
Balmertown, ON P0V 1C0
Mon-Fri: 9:00am – 4:30pm
Tel: (807) 735-2096

Interested persons should provide written comment to the municipality on the proposal within 30 calendar days from the date of this Notice. Comment should be directed to Todd Olson, Operations Superintendent, Municipality of Red Lake @ todd.olson@redlake.ca.

If concerns arise regarding this project, which cannot be resolved in discussion with the municipality, a person or party may request that the Minister of the Environment make an order for the project to comply with Part II of the Environmental Assessment Act (referred to as a Part II Order), which addresses individual environment assessments. Requests must be received by the Minister at the address below within 30 calendar days of this Notice. A copy of the request must also be sent to Todd Olson, Operations Superintendent, Municipality of Red Lake. If there is no "request" received by April 5th, 2013, the Cochenour Lagoon Expansion will proceed to design and construction as presented in the planning documentation.
