Red Lake Makes Top 20 in the Province!

WDO (Waste Diversion Ontario) has announced the top 20 municipalities in Ontario for waste diversion in the year 2012. The Municipality of Red Lake was ranked 13th in over 400 municipalities across the province! In 2012 the Municipality of Red Lake was successful in diverting 54.05% of waste from the landfill. This success is a result of our residents making a strong and continued commitment to recycling.

"This is to commend the residents of Red Lake, the vision of this Council and the performance of our staff again.....(the community) continues to prove to the rest of Ontario that certainly when we do things in Red Lake the people here do it right."

Mayor Phil Vinet

Good Job Red Lake!

Building and Development

Construction season is fast approaching! Depending on the development being considered, approval of a planning application may be required in order to obtain a building permit.

The timeframe required for circulation and review of a planning application can be 2 to 6 months. If you are considering building or have a development project for the 2014 construction season, it is recommended that you submit your application early.

If you have any questions please contact either Devon McCloskey, 735-2096 ext. 236 or Noel Dumontier, 735-2096 ext. 226.
