Building and Development

Construction season is fast approaching! Depending on the development being considered, approval of a planning application may be required in order to obtain a building permit.

The timeframe required for circulation and review of a planning application can be 2 to 6 months. If you are considering

building or have a development project for the 2016 construction season, it is recommended that you submit your application early.

If you have any questions please contact Devon McCloskey, Planner at 735-2096 ext. 236 or Noel Dumontier, CBO at 735-2096 ext. 226.
