## Reminder – Curbside Pick-up & Municipal Waste Disposal Site (Landfill)

As the Municipal Waste Disposal Site is nearing its approved capacity, **it is important that residents utilize the Municipal curbside pick-up service** for domestic waste. Curbside domestic waste is transported directly to the Ear Falls Landfill, as per a Shared Service Agreement between our two communities. However, when residents transport and deposit their domestic waste directly at the Red Lake Municipal Waste Disposal Site, the waste remains at the landfill in Red Lake, which further impacts the landfill's remaining capacity.

The Municipality of Red Lake would like to thank residents for their efforts in prolonging the life span of our landfill.
