WOODLAND CEMETERY RESTORATION

After a year of meetings and public input, as well as submitting a proposal to Council, the Friends of Woodland Cemetery are pleased to announce that there will be some changes occurring at the Woodland Cemetery in the near future. Together we have tried to address specific areas of concern at the Cemetery and ask that all concerned citizens show patience and cooperation while the changes take place. We are committed to the overall appearance of the Cemetery and restoring it to a place of serenity and peace. This rejuvenation may take some time, but in the end we know it will be well worth the wait. If you have any concerns regarding the specifics of the changes to occur, please feel free to contact either Tami Helgeson or Phil Vinet. A copy of the proposed changes will be available for your inspection, at the Municipal Office during regular business hours.

OFFICES CLOSED

All departments under the Municipality of Red Lake will be closed on **Victoria Day, Monday, May 23rd, 2005.**

RESOURCE/ONTARIO EARLY YEARS CENTRES

Please be advised that the **Balmertown and Red Lake Resource/Ontario Early Years Centres will be closed the week of June 6th - 10th, 2005** to perform inventory and cleaning of resource materials.

GIVE AWAY DAY

Give Away Day will be held on

Saturday, May 28th, 2005

For those who have not taken part, this event is like a community garage sale, except no money changes hands. If you have something that is no longer of use to you, but may be of use to someone else, just put it at the end of your driveway with a cardboard sign marked "Give Away". Maybe someone will drive by and pick up that couch, kitchen table or leftover paint. Share your treasures!

Come and join us – rain or shine!

NUISANCE BEARS

The Municipality of Red Lake is urging residents to be aware and to work together to avoid attracting nuisance bears.

Nuisance bears don't always have good quality food available. Until berries and other natural foods are available, nuisance animals will eat whatever they can get, including garbage, pet food, birdseed, compost and many other things. They will also return to food sources they remember from the previous years.

To reduce the chances of attracting nuisance bears, the Municipality advises residents to:

- * Deposit waste in containers only on the day of collection.
- * Wash garbage containers frequently and use disinfectant to cut odors.
- * Keep barbeques and picnic tables clean.
- * Remove all birdfeeders.
- * Keep pet food inside the house.

If you are experiencing any nuisance bear problems please contact the toll free number 1-866-514- 2327.
