## Engine Brakes

The use of engine brakes (a.k.a. jake brakes) can cause annoyance by making unnecessary noise for our residents. We ask motorists to be mindful of our neighbours and kindly refrain from engaging these types of brakes within town limits.

Thank you for your cooperation!

## Retirement Wishes!

We would like to extend **HAPPY RETIREMENT** wishes to **Fire Chief, Walter Scarrow!** Walter has committed multiple years of service to the Municipality's Fire Department. Walter was an active volunteer fire fighter for many years prior to being appointed Fire Chief. This appointment also tasked him the very important role of representing the Municipality as the Emergency Management Coordinator. In each situation that arose over the years, Walter managed this role gallantly and effectively.

## Message from the By-Law Department - Feeding of Wildlife

Did you know that feeding of wildlife either intentionally or unintentionally is not permitted in the Municipality?

Making food available can attract wildlife to your property, can make them less fearful of humans, and make them accustomed to food provided by humans.

Some suggestions to help keep wildlife away from your property:

- Properly store garbage in containers. Put garbage at curbside the morning of collection and not overnight.
- Ensure bird seed is in a bird feeder.

The minimum set fine under By-Law No. 41-2015 for the *intentional feeding of wildlife or making available food attractants or other substances for the consumption of wildlife*, is \$300.00 per offence.
