PROOF OF VACCINATION RULES effective January 5, 2022

Anyone under 12 is exempt from proving vaccination

Anyone resident of Ontario 12 and older must prove double vaccination by showing their Ontario Ministry of Health Covid-19 vaccination QR code and a piece of ID showing the name of the person and date of birth. Photo ID is not required. The second vaccination date must be a minimum of 14 days old. Those from out of Province/Country must provide proof of vaccination as provided by their health authority.

The following are **exempt** from proving vaccination upon entry.

- Workers, contractors, delivery people, inspectors and any other persons entering for the purposes of working, not as patrons
- To use the washroom
- To make a purchase
- If absolutely necessary for one's health and safety

People that are exempt from being vaccinated due to medical reasons and reside in Ontario must obtain a QR code from their local health unit. Those from out of Province/Country must provide in form of a written document from either an MD (physician), RN(EC) (Registered Nurse (Extended Class)) or NP (Nurse Practitioner). The letter must have the patrons name, name of MD, RN(EC) or NP, logo or letterhead, a statement stating the person is exempt for medical reasons and the time period the person is exempt as well as the date they wish to access the building.

All person must be seated when consuming food or drink.

**FAILURE TO ADHERE TO ALL ARENA RULES WILL RESULT
IN BEING ASKED TO LEAVE THE BUILDING**
