<b>Subject:</b> Sidewalks	<b>Approval Date:</b> January 20, 2014	<b>By-Law No.</b> 1850-14
------------------------------	---	------------------------------

### 7.3 SIDEWALKS

#### 1. GENERAL POLICY

- 1.1 Municipal Policy for the development and maintenance of municipal sidewalks shall be guided by criteria established by Council.
- 1.2 The Municipality will provide sidewalks to the built up areas within the Municipality as identified in this Policy subject to funding availability, and at Council's discretion.
- 1.3 The Municipality shall make provision for access to the sidewalk system by disabled persons during the construction or reconstruction of sidewalks. Such access will be provided where practical and be of a standard to meet the Accessibility for Ontarians with Disabilities Act requirements.

#### 2. STANDARD & DESIGN

- 2.1 All Municipal sidewalk standards shall be in accordance with Policy established by Council.

#### 3. SIDEWALKS REQUIREMENTS

- 3.1 Listed below are the communities within the Municipality of Red Lake and the requirements for sidewalks in each community. Sidewalks will be on one side of the street unless otherwise identified.
